- (1) The undermentioned to be Captain (temporary)

Lieutenant J.G.Hopkinson vice Captain J.H.M.Gordon,
(Seconded).

Dated.....²⁰11.14

- (2) The undermentioned to be Lieutenant. (Temporary)

2/Lieutenant I.A.Clarke vice Lieutenant
J.G.Hopkinson promoted.

Dated.....²⁰11.14

I have put forward the name of Lieutenant
Hopkinson for promotion because I consider that he is
much more competent to command than those whom he
supercedes. Lieutenant Hopkinson has had previous
military service and is a thoroughly capable officer.

Lieutenant Clarke's case is a similar one
and is the ~~best~~ one best fitted for promotion.
