EL ADEM	Jun 1-9		18th (Talavera) Pd Bty and 65/75 Pd Bty R.A. with R.H.Q. in the EL ADEM BOX. 62 Pd Bty R.A. under Comd 1 Corps R (See Bty War Diary - Appdx "A").	Appdx "A" 62 Pd Bty War Diary	
EL ADEM	10		Troops from 18 and 65/75 Pd Btys sent out on columns in turn. Owing to these columns the EL ADEM box was sometimes reduced to a single troop. Some good work was however accomplished by them and the enemy prevented from recovering tanks immobilised by lack of petrol.		
			A Tp 18 Bty sent to a box at B 650 about 6 miles away. This box and the EL ADEM BOX were supposed to be mutually supporting, but in fact they were too far apart and were out of communication.		
	10		F Troop left on column at 0600 hrs, bumped superior enemy forces at first light and had all four guns knocked out. Lieut W. RUMBLE A.A. and 9 other ranks were killed (Appdx "B" Names)	Appdx "B" Names of Casualties.	
	10	0600	E Tp engage enemy guns on the ridge to the East of the box and are themselves heavily engaged by tanks and guns from the North. Three guns are put out of action but the fourth continues to fire.		
	10	1100	B Tp put down a smoke screen to enable E Tp to be withdrawn to an alternative position. Withdrawal successfully accomplished.		
EL ADEM	11		Little activity - enemy occupy positions all round EL ADEM. B Tp position registered by 25 pdrs in the possession of the enemy. In the evening a column of about 300 enemy MT was engaged by nearly every gun, Field, A/Tk and A.A. in the box. 6 vehicles including a petrol lorry set on fire and in all about 20 vehicles immobilised. 3.7 A.A. guns fired throughout this period in a field role with considerable success. They were ranged in a variety of methods, but the most successful was when the target could be observed from the gun position.		
			alternative B Tp occupy a position close to R.H.Q.		
EL ADEM	12		No activity. News received that Lieut. B.A. BUCKWELL R.A. wounded and evacuated to TOSKUN from B. 650.		

and the Staff should respectively. Title pages will be prepared in manuscript.
